## The American Region

It has been like this for many years. We have had a number of different people come and go, but we have always tried to keep things simple and easy. We have had a few changes in ownership over the years, but we have always tried to maintain the same level of quality and service. We have had a few challenges along the way, but we have always found a way to overcome them. We are proud of our history and our tradition, and we are excited about the future.
